## DESCRIPTION

---

The Kincrome 16 Piece Air Angle Sander Kit (Part No. K13245) is the perfect addition to any professional automotive workshop, car enthusiast or industrial or metal fabrication trade application such as panel beaters and spray painters!

Packing an impressive 15,000RPM the Kincrome Air Angle Sander makes the job effortless, whether its stripping paint, de-rusting a metal surface, performing some light grinding or tidying up some welds!

The unit's unique twin bearing system allows for smooth operation, reducing vibration, and the lightweight composite housing, provides convenience and reduced fatigue allowing for extended use... ideal for industrial applications!

The Kincrome Air Angle Sander Kit comes with a 50mm and 75mm Roloc Style Abrasive Pad, allowing you to quickly change your Roloc Sanding disc, allowing for less down time fiddling around with annoying sanding pads.

The two difference sized Abrasive Pads, cater for many different applications, where the 50mm discs are ideal for getting into those hard to reach places and the 75mm would be ideal for stripping large surface areas.

The Air Angle Sander will work on most home and workshop compressors, only requiring 99LPM of free air flow!

Like the rest of the Kincrome Air Tool Range, you can sleep easy knowing the 16 Piece Air Angle Sander Kit (Part No. K13245) is backed by our premium 2 Year Warranty!

## FEATURES

- Unique twin bearing system for smooth operation
- On-board adjustable speed regulator
- Reduced vibration for extended use
- Ergonomic composite body grip
- Swivel exhaust
- Nitto style fitting included
- Includes 5 x 50 & 5 x 75 Roloc style sanding pads
