

AIR RATCHET WRENCH 1/4" SQUARE DRIVE

PART NO. K13220

SERIES DESCRIPTION

The Kincrome Air Tools range offers the tradesperson, industrial user and DIY enthusiast, a comprehensive range of air tools to get the job done. Covered by a class leading 2 Year Warranty, these tools are built to last, with the performance and quality you have come to expect from Kincrome.

Kincrome is recognised by the trade as a leading industrial and commercial tool brand. To compliment this, we stock an extensive range of pneumatic products such as air compressors, air tools and accessories, backed up by comprehensive spare parts. Kincrome Air Tools have been relentlessly tested and proven in the field, with attention to quality, reliability and the ultimate in performance.

From class leading impact wrenches to powerful air hammers, die grinders to air riveters, you'll find all the right air tools for the job with Kincrome.

DESCRIPTION

The Kincrome Air Ratchet Wrench 1/4" Square Drive (Part No. K13220) is a must have for any professional automotive workshop, car enthusiast or industrial trade application. The Kincrome range of Air Ratchet Wrenches are ideal as they allow the user to work in tight spaces, where an impact wrench wouldn't fit or reach!

A Kincrome Air Ratchet Wrench is excellent for removing/installing alternator bolts, and many other nuts in any engine bay where leverage is an issue, and not much room to move!

The compact Kincrome Air Ratchet Wrench 1/4" Square Drive (Part No. K13220) packs an impressive 41Nm of torque and has a free speed of 350RPM.

The Kincrome Air Ratchet Wrench range will work on most home and workshop compressors, only requiring 127-140LPM of free air flow!

Like the rest of the Kincrome Air Tool Range, you can sleep easy knowing the Kincrome Air Ratchet Wrench 1/4" Square Drive (Part No. K13220) is backed by our premium 2 Year Warranty!

FEATURES

- Easy to use paddle trigger, allowing for variable speeds.
- Ergonomic Cushioned Grip; engineered to relieve stress and fatigue on the operator hands, wrists and arms.
- Nitto style fitting included
- Rear Exhaust
- Adjustable speed
- Forward & Reverse Switch
