DESCRIPTION

The Kincrome Air Hydraulic Riveter 3/16" (Part No. K13270) is the perfect addition to any professional automotive workshop, car enthusiast or industrial metal fabrication trade!

The Kincrome Air Hydraulic Riveter is ideal for fastening two pieces of metal, such as steel or aluminium, or other types of material of solid material together!

The Air Hydraulic Riveter is manufactured from a lightweight cast aluminium body for extended trouble free use, and **comes with a rubber over mould handle to reduce fatigue over an extended time... perfect for trade applications!**

Packing a HUGE 1219kg of traction power, relieves the end user by doing all the hard work for you, saving you the pain of hand cramps, muscle damage and eliminating error, giving you total control!

The Kincrome Air Hydraulic Riveter makes light work of the task at hand, effortlessly popping aluminium, steel and stainless steel rivets.

One of the greatest features of the Kincrome Air Hydraulic Riveter is that is comes supplied with 4 different sized nose pieces (3/16", 1/8", 3/32", 5/32"), which are easily interchangeable with the supplied tools.

The Air Hydraulic Riveter comes with a clear "frame cap" which will catch any used rivet pins, eliminating the need to clean up!

The Kincrome Air Hydraulic Riveter will work on most home and workshop compressors, only requiring 123LPM of free air flow!

Refer to the "How To" video below, to instruct you on how to prime your Air Hydraulic Riveter and replace the jaws!

Like the rest of the Kincrome Air Tool Range, you can sleep easy knowing Air Hydraulic Riveter 3/16" (Part No. K13270) is backed by our premium 2 Year Warranty!

FEATURES

- Suitable for aluminium/steel & stainless steel rivets
- 1219kg (2680lb) of traction power
- 4 nose pieces included for all applications
- Nitto style fitting included
- Replaceable 2 piece jaws
- Weight 1.5kg

Suitable For:

Aluminium/Steel Rivets:

3/32" (2.4mm)

1/8" (3.2mm)

5/32" (4.0mm)

3/16" (4.8mm)

Stainless Rivets:

3/32"(2.4mm)

1/8" (3.2mm)

5/32" (4.0mm)

CONTENTS

• 4 Nose Pieces:

3/32"(2.4mm)

1/8" (3.2mm)

5/32" (4.0mm)

3/16" (4.8mm)

• Riveter wrench

• Jaw Wrench

• Frame cap
